

Dear Parents,

As a convenience to you we are including your (parents) names, address, phone numbers, and email address on your child's class list. This directory will appear in our parent handbook and help facilitate communication between the families. These lists will not be distributed to anyone outside of our preschool. We need to print our handbook by **May 14th for the 2018-2019 School Year**. Please respond immediately to ensure the correct information is included.

- **All parents:** If you **do not** want your information included, please let us know immediately as we need to remove the information from our list.
- Please let us know if there have been changes to your information.

We will need hardcopies of your acceptance/declination for our records.

Please check the appropriate line and sign below.
